

## APPENDIX O

# Transitional Job Plan Template

Transitional jobs are time-limited, wage-paid, and subsidized work experiences for individuals with barriers to employment. [9]

|                                            |                              |
|--------------------------------------------|------------------------------|
| Eligibility definition used (local policy) |                              |
| Employer of record                         |                              |
| Worksite sector                            | Public / private / nonprofit |
| Duration and wage                          |                              |
| Supportive services package                |                              |
| Skills to be developed                     |                              |
| Transition plan to unsubsidized employment |                              |
